Payment instalment Scheme

The school also offers parents the option of negotiating an individual payment plan to meet student costs. An agreement is entered into with the parent stipulating the amount of payment, the method of payment and the timeline for payment – eg fortnightly, monthly etc. Arrangements can be made by contacting the Administration Office.

Non participation in Scheme.

Parents who do not wish to participate in the scheme will be required to complete the Participation Agreement Form to that effect and provide all necessary texts and resources for their children. A copy of this list can be obtained from the school administration office. Parents not participating are also required to return the form, indicating their preference of non participation. Return of this form is a condition of enrolment.
